

① 色のついた所の面積を求めよう！単位は全てcmとする
 に当てはまる数字を書いて式を成り立たせよう！

$$\begin{aligned} & \square \times \square - \square \times \square \\ = & \square - \square \\ = & \square \end{aligned}$$

答え

② 計算の仕方を2通り考えてみよう。

(1)

$$\begin{aligned} & \square \times (\square - \square) + \square \times \square \\ = & \square \times \square + \square \times \square \\ = & \square + \square \\ = & \square \end{aligned}$$

(2)

$$\begin{aligned} & \square \times \square \\ = & \square \end{aligned}$$

答え
